

## **PET POLICY**

For the best accommodation of your pets, for the comfort and safety of all hotel guests and staff, please comply with the following rules:

- Up to one small or medium-sized pet is strictly allowed in each room. Reptiles are forbidden.
- Pet visitors are required to bring an up-to-date pet health booklet accompanied by an authorized veterinarian. The hotel reserves the right to request an up-to-date pet health booklet at any time.
- Staying aggressive pets is explicitly prohibited. The property reserves the right to expel guests accompanying a pet who has behaved aggressively towards other guests or hotel staff.
- Pets do not enter public areas such as the restaurant and pool.
- During their stay outside the room and on the hotel premises the pets are required to be constantly with the walk guide.
- Pet owners are responsible for cleaning their pet litter in the rooms as well as in the entire hotel.
- Pets should be controlled so as not to disturb other customers. Pets that annoy hotel guests by barking or grunting subject their owner to any penalties for missing profits from the hotel.
- Pet owners are responsible for any material damage or bodily harm caused to their pets.
- If the pet is free in the room, a "do not disturb" sign must be placed on the door. In this case your room will NOT accept room service. We will not take any responsibility if your pet is released if there is no "do not disturb" sign.

For any clarification please contact the hotel reception.
